RESEARCH PROPOSAL

"Proposal Title"

"Proposal Acronym"

In preparing the research proposal, applicants must follow the format and guidelines below.

Cover page (≤ 1 page): must include

- name of the applicant;
- proposal full title;
- proposal acronym;
- proposal abstract (half page max);
- proposal "Grand Research Challenges", as from the MINDED website¹

Research Proposal (≤ 5 pages): must include the following sections

- Background and Significance;
- Innovation and Expected Benefits;
- List of Specific Aims;
- Research Plan for each specific aims, detailing the methods to be used;
- Timeline;
- References;
- Equipment list, detailing the equipment and facilities required for conducting the proposed research.

Sections "References" and "Equipment list" do not count towards the page limit.

Fonts: Arial 11 or Times New Roman 12;

Paragraph: Single line spacing;

Page Layout: Top: 2.5 cm; Bottom, Left and Right: 2.0 cm

¹ The "Grand Research Challenges" constitute the backbone of the MINDED initiative. Applicants for MINDED fellowships have to develop their research proposal around one or more of these challenges. The list of challenges is available at <http://minded-cofund.eu/research/research-challenges>
